Welcome to our office,

Your general dentist has referred you to our office because he is confident in our ability to provide you with the highest quality of endodontic care. We accommodate sensitive patients and treat difficult cases. Dr. Showers graduated from the University of Michigan and has been a specialist in endodontics since 1992.

Our staff looks forward to providing you with a comfortable and stress-free environment. You may call our office and we will assist you in scheduling your evaluation or endodontic therapy and answering any questions you may have. We hope to hear from you soon.

Sincerely,

Paul F. Showers DDS MS PC
